Dear Mr. Pingue,

On behalf of everyone at March of Dimes Canada, thank you for participating in After Hours with the Olsons at Vermeer's Garden Centre and Flower Shop on Thursday, February 17, 2011.

Your contribution of samples of your product for our guests is very much appreciated.

March of Dimes strives to create a society inclusive of people with physical disabilities. March of Dimes provides programs and services for people living with physical disabilities, promoting independence and mobility. Services include physical rehabilitation, attendant care, non-profit housing, employment training, job placement, and more.

With the assistance of community partners such as yourself, March of Dimes is able to keep their much-needed programs and services available to those with physical disabilities in our community.

Once again, thank you very much for participating in After Hours with the Olsons. Those with physical disabilities are forever grateful for your assistance.

Sincerely,

Heidi Daniels
