We at the PAAL Foundation are thrilled to announce that this year's 1st Annual Charity Adventure Race, **The Race For Passion**, was a great success!

This Race was truly an adventure for everyone involved. In 2-days, it took participants to 4 different cities in the Niagara region, 21 different locations, with 5 different modes of transportation, accomplishing 21 widely differing challenges.

Thanks to the participants, sponsors, corporate donations, volunteers, and organizers we raised just under \$5000.00 towards our goal.

We would also like to thank you personally for your generous donation of \$250.00.

The PAAL Foundation is an organization dedicated to accomplishing the objectives that our father, Pasquale Vergalito and his best friend Alfie LaVigna, held most dearly to their hearts. The first objective on that list is to purchase a BiPAP machine for the new hospital in St. Catharines.

The BiPAP machine is a bi-level Positive Airway Pressure machine that assists patients in critical condition with inhaling and exhaling. The machine is not readily available at most hospitals and costs approximately \$50,000.

We cannot thank you enough for your tremendous assistance in supporting our event and attaining our goal.

We are already starting to organize next year's event!

Sincerely,

Nadia Vergalito

Roberto Vergalito
