Dear Niagara Food Specialties,

On behalf of the Board of Directors, staff, volunteers and youth members of the **Boys and Girls Club of Niagara**, I would like to extend our sincere appreciation for your support.

The Boys and Girls Club of Niagara has been serving youth in the Niagara Region for over 50 years. Our many programs build self-esteem, strengthen the drive to learn and encourage sportsmanship. **Our philosophy is that no child will be denied access to any program or service due to financial constraints.**

Your donation of the plates, utensils, kitchen supplies and the stove will allow the Boys and Girls Club of Niagara to continue to offer lots help to provide good nutrition and quality food to the children and youth of Niagara Falls, now and for generations to come.

We wanted to take the time to wish you and your family a safe and happy spring season, and we look forward to having your continued support as we open our new facility. It is such a pleasure to have the support of our community to further reach our goals. With your assistance, we can create better lives and ensure a brighter future for tomorrow's leaders.

Sincerely,

Barbara Greenwood
Fund Development Chair
